

## SMITH ACQUITTED IN MANCHESTER

A Nice Point of Law Decided  
In the Corporation  
Court There.

In the Corporation Court of Manchester last night Ben Smith, colored, was acquitted of the charge of unlawfully extorting money from T. E. Winfree, a white man. Mr. E. H. Wells represented Smith.

It appeared from the evidence that on Christmas Eve Smith, to whom Winfree owed \$2,000, the latter as he was about to board a train, held him and demanded payment. Smith, Winfree lost his train, but paid the money.

For this he was tried in the Mayor's Court, sent on to the grand jury and put under bond of \$300 for twelve months. A nice legal point was involved in the case, and after it had been discussed at length, the Judge instructed the jury that a charge of extortion could not lie if a man were claiming that which was justly due.

The jury acquitted Smith, but the Judge reprimanded him, saying his conduct was most reprehensible.

## MEN WERE LASHED TO DECK OF VESSEL

NEW YORK, February 18.—The snow storm of yesterday gave way to clearing skies and cold winds, accompanied by falling temperature. At 8 o'clock to-day the Western Express steamer stood at six degrees above zero, the lowest so far this winter.

Dispatches to-day from various parts of the State report temperatures ranging from zero to 15 degrees below that point, the latter in the Adirondack region. The snowfall is the heaviest of the winter thus far.

The Atlas Liner Alene arrived here from Savannah and West Indian ports to-day covered with ice and presenting a battered appearance. Heavy seas were experienced during the most of the trip. Last Monday night she ran into cold weather and the seas ran so high that there was considerable difficulty in navigating the vessel. The men on the decks were fastened by ropes to keep them from being washed overboard.

## KEEN FINESSE ON VENEZUELA'S PART

WASHINGTON, D. C., February 18.—The following cablegram was received at the State Department to-day from Mr. Russell, who is in charge of the United States legation at Caracas, during the absence of Minister Bowen:

"Minister Foreign Affairs Venezuela has decreed thirty per cent. increase duties on all imports as war measure."

Just why this decree was issued by the Minister of Foreign Affairs instead of President Castro in the ordinary course of the officials here. The action recorded in the cablegram, however, is regarded as a keen stroke of political finesse, for practically it amounts to placing the burden of the increase of duties on the shoulders of the foreign merchants, who conduct all of Venezuela's import trade.

The increase mentioned, thirty per cent., is the same as the percentage of customs dues at La Guayra and Puerto Cabello, to be assigned to the claimant nations.

(By Associated Press.)

## FESTIVAL 'BE' THE BEST

Wednesday Club to Celebrate  
Tenth Anniversary In Style.

## TALENTED NEW ARTISTS

Expense Has Not Been Spared of Bringing Them Here—Leading Singers in the Land—Club Feels Gratified for Expressions of Approval.

The reports coming in of the preparation for a great festival of music on the 27th and 28th of April are most encouraging. The plan to make it a celebration of the tenth anniversary of the history of the club meets with universal and hearty approval, both in the club and in the community.

A number of the former members of the club who were members at its organization have cheerfully responded to the invitation to participate. This will have the effect of making the largest chorus for the festival anniversary this year in the history of the club and may tax the limited Academy stage accommodations. The rehearsal last Tuesday night was the largest and most spirited the club has experienced in many years past.

Applications for the boxes and loges for all the concerts have already exhausted the supply on the lower floor, and the enrollment of subscribing members, now going on, bids fair to exceed the list of any former occasion. All this is, of course, very gratifying to the club because it is a manifestation of the public approval of its efforts during the past ten years of hard work towards elevating the standard of the musical taste of the community. The club was originally organized not alone for public entertainment, but more especially as an educational institution, appealing to all classes of the community along that line merely for support, not for profit, and this anniversary celebration furnishes the opportunity to the public of making it the occasion of a testimonial of their appreciation of its work.

The management now has in press, and which will appear in a few days, a prospectus setting forth the particulars of the coming festival.

## THIS SEASON'S ARTISTS.

This seasons artists are: Miss Annie Rio, soprano. Mme. Louise Homer, Mezzo sop. contralto. Mme. Isabella Bouton, contralto. Mrs. Andrew Dippel, tenor. Sign. Emilio de Gogorza, baritone. Mr. Frederick Martin, basso. Mr. Carl Webster, violinist.

The Wednesday Club has 200 voices—the children's choir, 25 voices, and the Boston festival orchestra, 45 pieces.

Mme. Louise Homer, of the Metropolitan Opera, has the distinction of being the best mezzo soprano contralto of America. She is the original of the celebrated Annie Louise Cary.

Miss Annie Rio, soprano, is yet quite young, of Spanish origin and is rapidly rising as a star artist.

But these ladies are hard to match either as artists or in stage presence. Mme. Blauvelt, soprano, who appeared here two years ago, won great popularity, both as an artist and as a beautiful woman. She postponed her debut in opera at Convent Garden, London, one week in order to fill the engagement here and at one other point.

Herr Andrew Dippel, the tenor, of the Metropolitan Opera, is regarded as one of the greatest of the German tenors.

Emilio de Gogorza, the baritone, is vouched for as the equal of Campanari, and Frederick Martin, the basso, who sang with the oratorio society of Baltimore a week or so ago, was reported as the star singer of that occasion, creating a sensation.

It would be hard to assemble a better corps of artists or to produce a more acceptable series of programmes to meet the coming occasion.

Beauchamp, pastor of the First-Street Methodist Church, who as president of the alumni association, presided over the occasion in getting himself heart and soul into the observance of silence. He made appropriate, but brief remarks on his own behalf and presented Dr. Page. This gentleman made a most excellent address, dealing with education in the South.

It was after one o'clock this morning before the banqueters realized how late was the hour.
